

designated as a Head Start agency under 42 U.S.C. 9836 and which has been granted financial assistance by the responsible HHS official to operate a Head Start program.

Interim Grantee means an agency which has been appointed to operate a Head Start program for a period of time not to exceed one year while an appeal of a denial of refunding, termination or suspension action is pending.

Prospective Delegate Agency means a public or private non-profit agency or organization which has applied to a grantee to serve as a delegate agency.

Responsible HHS Official means the official who is authorized to make the grant of financial assistance to operate a Head Start program or his or her designee.

Submittal means the date of actual receipt or the date the material was served in accordance with §1303.5 of this part for providing documents or notices of appeals, and similar matters, to either grantees, delegate agencies, prospective delegate agencies, or ACYF.

Substantial Rejection means that a funding agency requires that the funding of a current delegate agency be reduced to 80 percent or less of the current level of operations for any reason other than a determination that the delegate agency does not need the funds to serve all the eligible persons it proposes to serve.

Suspension of a grant means temporary withdrawal of the grantee's authority to obligate grant funds pending corrective action by the grantee.

Termination of a grant or delegate agency agreement means permanent withdrawal of the grantee's or delegate agency's authority to obligate previously awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or delegate agency. Termination does not include:

(1) Withdrawal of funds awarded on the basis of the grantee's or delegate agency's underestimate of the unobligated balance in a prior period;

(2) Refusal by the funding agency to extend a grant or award additional funds (such as refusal to make a competing or noncompeting continuation

renewal, extension or supplemental award);

(3) Withdrawal of the unobligated balance as of the expiration of a grant;

(4) Annulment, i.e., voiding of a grant upon determination that the award was obtained fraudulently or was otherwise illegal or invalid from its inception.

Work day means any 24 hour period beginning at 12 a.m. local time and continuing for 24 hours. It excludes Saturdays, Sundays, and legal holidays. Any time ending on one of the excluded days shall extend to 5 p.m. of the next full work day.

§ 1303.3 Right to attorney, attorney fees, and travel costs.

(a) All parties to proceedings under this part, including informal proceedings, have the right to be represented by an attorney.

(1) Attorney fees may be charged to the program grant in an amount equal to the usual and customary fees charged in the locality. However, such fees may not exceed \$250.00 per day, adjusted annually to reflect the percentage change in the Consumer Price Index for All Urban Consumers (issued by the Bureau of Labor Statistics) beginning one year after the effective date of these regulations. The grantee or delegate agency may use current operating funds to pay these costs. The fees of only one attorney may be charged to the program grant with respect to a particular dispute. Such fees may not be charged if the grantee or delegate agency has an attorney on its staff, or if it has a retainer agreement with an attorney which fully covers fees connected with litigation. The grantee or delegate agency shall have the burden of establishing the usual and customary fees and shall furnish documentation to support that determination that is satisfactory to the responsible HHS official.

(2) A grantee or delegate agency may designate up to two persons to attend and participate in proceedings held under this Part. Travel and per diem costs of such persons, and of an attorney representing the grantee or delegate agency, shall not exceed those allowable under Standard Governmental Travel Regulations in effect at the time of the travel.

§ 1303.4

(b) In the event that use of program funds under this section would result in curtailment of program operations or inability to liquidate prior obligations, the party so affected may apply to the responsible HHS official for payment of these expenses.

(c) The responsible HHS official, upon being satisfied that these expenditures would result in curtailment of program operations or inability to liquidate prior obligations, must make payment therefor to the affected party by way of reimbursement from currently available funds.

§ 1303.4 Remedies.

The procedures established by subparts B and C of this Part shall not be construed as precluding ACYF from pursuing any other remedies authorized by law.

§ 1303.5 Service of process.

Whenever documents are required to be filed or served under this part, or notice provided under this part, certified mail shall be used with a return receipt requested. Alternatively, any other system may be used that provides proof of the date of receipt of the documents by the addressee. If this regulation is not complied with, and if a party alleges that it failed to receive documents allegedly sent to it, there will be a rebuttable presumption that the documents or notices were not sent as required by this part, or as alleged by the party that failed to use the required mode of service. The presumption may be rebutted only by a showing supported by a preponderance of evidence that the material was in fact submitted in a timely manner.

§ 1303.6 Successor agencies and officials.

Wherever reference is made to a particular Federal agency, office, or official it shall be deemed to apply to any other agency, office, or official which subsequently becomes responsible for administration of the program or any portion of it.

45 CFR Ch. XIII (10–1–05 Edition)

§ 1303.7 Effect of failure to file or serve documents in a timely manner.

(a) Whenever an appeal is not filed within the time specified in these or related regulations, the potential appellant shall be deemed to have consented to the proposed action and to have waived all rights of appeal.

(b) Whenever a party has failed to file a response or other submission within the time required in these regulations, or by order of an appropriate HHS responsible official, the party shall be deemed to have waived the right to file such response or submission.

(c) A party fails to comply with the requisite deadlines or time frames if it exceeds them by any amount.

(d) The time to file an appeal, response, or other submission may be waived in accordance with § 1303.8 of this part.

§ 1303.8 Waiver of requirements.

(a) Any procedural requirements required by these regulations may be waived by the responsible HHS official or such waiver requests may be granted by the Departmental Appeals Board in those cases where the Board has jurisdiction. Requests for waivers must be in writing and based on good cause.

(b) Approvals of waivers must be in writing and signed by the responsible HHS official or by the Departmental Appeals Board when it has jurisdiction.

(c) “Good cause” consists of the following:

(1) Litigation dates cannot be changed;

(2) Personal emergencies pertaining to the health of a person involved in and essential to the proceeding or to a member of that person’s immediate family, spouse, parents, or siblings;

(3) The complexity of the case is such that preparation of the necessary documents cannot reasonably be expected to be completed within the standard time frames;

(4) Other matters beyond the control of the party requesting the waiver, such as strikes and natural disasters.

(d) Under no circumstances may “good cause” consist of a failure to meet a deadline due to the oversight of either a party or its representative.
